Case Study #1

To-Do List App

Guidelines and Design Library

General Guidelines

- Use Material UI for variables and components
- Customized variables, logos and icons are provided on the attached zip file as svg file
- No need to be exact with the measurements; use eyeball estimation
 - Screen resolution used on example
 - Web: 1440 x 1024
 - Mobile: 412 x 892

Design Library

Colors

				
Hex 27D32 • Primary	Hex 818D99 • Secondary • Active button icon • Active button frame • Active checkboxes	Hex C7CED6 • Tertiary • Inactive button icon • Inactive button frame • Dividers	Hex F2F8FD • Background shade • Drop-down hover shade • Pressed button shade	Hex FFFFFF • White

	
Hex 027CEC • Main buttons • Status icons	Hex 62C6FF • Checked checkbox • Badge beside delete icon

	
Hex CA0061 • Errors • Overdue date	Hex 009292 • Due date (today)

		
Hex 2FB0D0 • Priority: Low (frame)	Hex FAC300 • Priority: High (frame)	Hex EB0000 • Priority: Critical (frame)

		
Hex F9FFF6 • Priority: Low (shade) (icon and cards)	Hex FFFDF2 • Priority: High (shade) (icon and cards)	Hex FFF6F6 • Priority: Critical (shade) (icon and cards)

		
Hex 165700 • Priority: Low (text)	Hex 624D00 • Priority: High (text)	Hex 7F0000 • Priority: Critical (text)

Screen Design

Option 1: Table layout

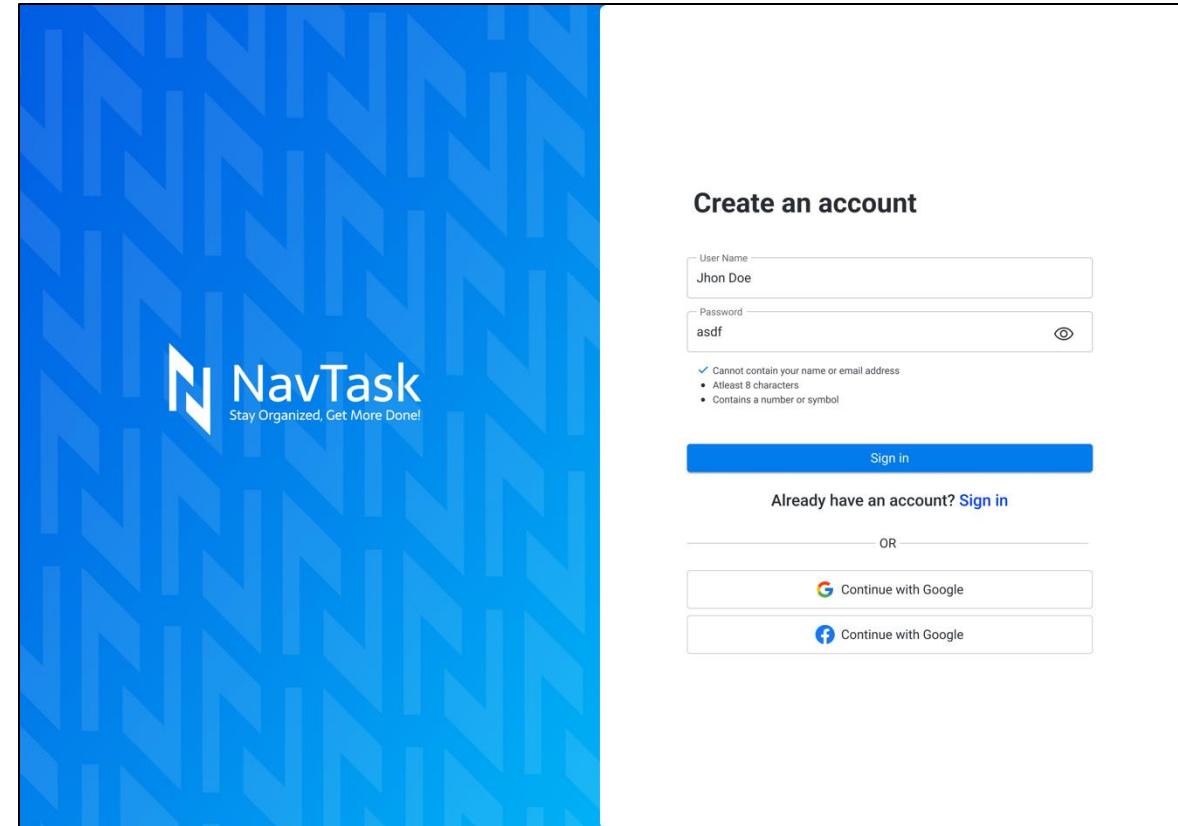

ID 0 – Create a new account

Default Screen

The screenshot shows the 'Create an account' page of the NavTask application. The background features a blue and white geometric pattern. On the left, there is a vertical sidebar with the NavTask logo and the tagline 'Stay Organized, Get More Done!'. The main content area has a light gray background. It contains a 'Create an account' heading, two input fields for 'User Name' and 'Password' (with a visibility icon), and a note below them: '• Cannot contain your name or email address • Atleast 8 characters • Contains a number or symbol'. Below these fields is a large blue 'Sign in' button. Underneath the button, there is a link 'Already have an account? Sign in' and a separator line. At the bottom, there are two 'Continue with Google' buttons, one for Google and one for Facebook.

Filled out with checked password state

This screenshot shows the same 'Create an account' page as the first one, but with user input. The 'User Name' field contains 'Jhon Doe' and the 'Password' field contains 'asdf'. A checkmark icon is present next to the note about not containing a name or email address. The rest of the interface is identical to the first screenshot, including the 'Sign in' button, 'Sign in' link, and social login options at the bottom.

ID 1 & 8 - Sign in screen

Default Screen

ID 2 - Sign out screen

Sign out accessible from dashboard

ID 3 – Dashboard

Default Screen

The screenshot shows the NavTask application's default dashboard. At the top left is the logo 'NavTask'. Below it is a user profile section with a placeholder 'Jhon Doe_456' and icons for 'Home' and 'Sign out'. The main area is titled 'To-do' and contains a table with columns: Title, Due Date, Priority, and Status. A 'Filter' button and a '+ New Task' button are at the top right of the table. The table lists various tasks:

Title	Due Date	Priority	Status
UX+ (SMX)	10/19/2024	High	Not Started
▶ GenAI trainings. MyLearning	08/30/2024	High	Complete 08/27/2024
Declutter basement	09/30/2024	Low	Not Started
Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.	12/08/2024	Low	Cancelled
▶ Presentation for XXX client visit	09/30/2024	Critical	In Progress
Mateus' release of cards	09/15/2024 Today	High	Not Started
Update CV and Portfolio	10/07/2024	High	In Progress
AC maintenance	12/05/2025	Low	Cancelled
Study sketch: Basic anatomy	09/05/2024 Overdue	Low	In Progress
▶ Wireframes YYY project	10/11/2024	High	Complete 09/30/2024
▶ Brownbag: AAA project	09/23/2024	Critical	Not Started
Files cleanup	10/28/2024	Low	Not Started

Expand subtask

The screenshot shows the NavTask application with a expanded subtask view. The interface is identical to the default screen, but the second task in the list, 'GenAI trainings. MyLearning', has been expanded to show its details. This expanded view includes the task title, due date, priority, status, and a detailed description: 'Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.' Below this, two sub-tasks are listed: 'Working demo app check' and 'Deck Check', both marked as 'Not Done'.

ID 3 – Dashboard

Filter by priority

The screenshot shows the NavTask application interface. At the top left is the user profile "Jhon Doe_456". Below it are navigation links: "Home" (highlighted) and "Sign out". The main area is titled "To-do". A "Filter" button is open, showing "Priority" set to "All" and "Status" set to "Low". The table below lists 15 tasks. Most tasks have a "Priority" column color-coded (High: orange, Low: green, Critical: red). The "Status" column indicates task status (Not Started: light blue, Complete: dark blue, In Progress: blue with a clock icon, Cancelled: grey). The "Due Date" column shows the scheduled completion date for each task.

Task Description	Due Date	Priority	Status	Action
UX+ (SMX)	10/19/2024	High	Not Started	edit
GenAI trainings: myLearning	08/30/2024	High	Complete 08/27/2024	edit
Declutter basement	09/30/2024	Low	Not Started	edit
Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.	12/08/2024	Low	Cancelled	edit
Presentation for XXX client visit	09/30/2024	Critical	In Progress	edit
Mateus' release of cards	09/15/2024 Today	High	Not Started	edit
Update CV and Portfolio	10/07/2024	High	In Progress	edit
AC maintenance	12/05/2025	Low	Cancelled	edit
Study sketch: Basic anatomy	09/05/2024 Overdue	Low	In Progress	edit
Wireframes YYY project	10/11/2024	High	Complete 09/30/2024	edit
Brownbag: AAA project	09/23/2024	Critical	Not Started	edit
Files cleanup	10/28/2024	Low	Not Started	edit

Filter by status

The screenshot shows the NavTask application interface. At the top left is the user profile "Jhon Doe_456". Below it are navigation links: "Home" (highlighted) and "Sign out". The main area is titled "To-do". A "Filter" button is open, showing "Priority" set to "All" and "Status" set to "Not Started". The table below lists 6 tasks. The "Priority" column uses the same color-coding as the first screenshot. The "Status" column indicates task status (Not Started: light blue, In Progress: blue with a clock icon, Complete: dark blue, Cancelled: grey). The "Due Date" column shows the scheduled completion date for each task.

Task Description	Due Date	Priority	Status	Action
Declutter basement	09/30/2024	Low	Not Started	edit
Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.	12/08/2024	Low	Cancelled	edit
AC maintenance	12/05/2025	Low	Cancelled	edit
Study sketch: Basic anatomy	09/05/2024 Overdue	Low	In Progress	edit
Files cleanup	10/28/2024	Low	Not Started	edit

ID 3 – Dashboard

Active filters: Chips are closable

The screenshot shows the NavTask application interface. At the top left is the logo and the user profile "Jhon Doe_456". Below the header is a navigation bar with "Home" and "Sign out" buttons. The main content area is titled "To-do" and contains a table with two rows of tasks. The columns are "Title", "Due Date", "Priority", and "Status". The first task is "Declutter basement" due on 09/30/2024 with Low priority and Not Started status. The second task is "Files cleanup" due on 10/28/2024 with Low priority and Not Started status. Above the table is a filter bar with "Filter", "Low", and "Not Started" chips, each with a close button. A blue "+ New Task" button is at the top right of the table.

Title	Due Date	Priority	Status
Declutter basement	09/30/2024	Low	Not Started
Files cleanup	10/28/2024	Low	Not Started

Sort by Priority

The screenshot shows the NavTask application interface with the same layout as the first one. The main content area is titled "To-do" and contains a table with 12 rows of tasks. The columns are "Title", "Due Date", "Priority", and "Status". The tasks are listed in descending priority order: Critical (2 items), High (4 items), In Progress (2 items), Pending (1 item), and Low (3 items). Each row includes a checkbox, a title link, a due date, a priority color-coded chip, a status chip, and a edit icon. The "Filter" bar at the top is empty. A blue "+ New Task" button is at the top right of the table.

Title	Due Date	Priority	Status
Presentation for XXX client visit	09/30/2024	Critical	In Progress
Brownbag: AAA project	09/23/2024	Critical	Not Started
UX+ (SMX)	10/19/2024	High	Not Started
GenAI trainings. MyLearning	08/30/2024	High	Complete 08/27/2024
Mateus' release of cards	09/15/2024 Today	High	Not Started
Update CV and Portfolio	10/07/2024	High	In Progress
Wireframes YYY.project	10/11/2024	High	Complete 09/30/2024
Declutter basement	09/30/2024	Low	Not Started
Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.	12/08/2024	Low	Cancelled
AC maintenance	12/05/2025	Low	Cancelled
Study sketch: Basic anatomy	09/05/2024 Overdue	Low	In Progress
Files cleanup	10/28/2024	Low	Not Started

ID 3 – Dashboard

Multiple selection

The screenshot shows the NavTask application's dashboard. At the top left is the user profile 'Jhon Doe_456'. Below it are navigation links: 'Home' (highlighted in light blue) and 'Sign out'. The main area is titled 'To-do' and contains a table with columns: 'Title', 'Due Date', 'Priority', and 'Status'. Each row represents a task with a checkbox for selection. Some tasks have additional details like descriptions or due dates. A 'New Task' button is at the top right of the table.

Title	Due Date	Priority	Status
UX+ (SMX)	10/19/2024	High	Not Started
GenAI trainings. MyLearning	08/30/2024	High	Complete 08/27/2024
Declutter basement	09/30/2024	Low	Not Started
Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.	12/08/2024	Low	Cancelled
Presentation for XXX client visit	09/30/2024	Critical	In Progress
Mateus' release of cards	09/15/2024 Today	High	Not Started
Update CV and Portfolio	10/07/2024	High	In Progress
AC maintenance	12/05/2025	Low	Cancelled
Study sketch: Basic anatomy	09/05/2024 Overdue	Low	In Progress
Wireframes YYY project	10/11/2024	High	Complete 09/30/2024
Brownbag: AAA project	09/23/2024	Critical	Not Started
Files cleanup	10/28/2024	Low	Not Started

When delete button is clicked – delete confirmation

This screenshot shows the same NavTask dashboard as above, but with a modal dialog box overlaid. The dialog has a warning icon and the text '3 Tasks will be deleted.' It includes 'Cancel' and 'Delete' buttons. The background table remains visible but is dimmed.

Title	Due Date	Priority	Status
UX+ (SMX)	10/19/2024	High	Not Started
GenAI trainings. MyLearning	08/30/2024	High	Complete 08/27/2024
Declutter basement	09/30/2024	Low	Not Started
Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.	12/08/2024	Low	Cancelled

Files cleanup	10/28/2024	Low	Not Started

ID 4 – View task

View Page

The screenshot shows the NavTask application interface. At the top left is the user profile icon for "Jhon Doe_456". Below it are navigation links for "Home" and "Sign out". The main content area has a header "View Task" with a back button. The task title is "Presentation for XXX client visit" with a due date of "15 Sept 2024 - 30 Sept 2024". The status is "Critical" and "In progress". The task description is "Prepare slides and demo materials. Ensure every app is working. Expected attendees: 12". Below this is a "Subtask" section with three items: "Working demo app check" (status: Not Done), "Deck Check" (status: Not Done), and "Reservation" (status: Done). There are edit and delete icons at the top right.

View Page (Complete + Date of Completion)

The screenshot shows the NavTask application interface. At the top left is the user profile icon for "Jhon Doe_456". Below it are navigation links for "Home" and "Sign out". The main content area has a header "View Task" with a back button. The task title is "GenAI Trainings. MyLearning" with a due date of "15 Sept 2024 - 30 Sept 2024". The status is "High" and "Complete" (date: 27 Sept 2024). The task description is "Complete all GenAI training for FY24." Below this is a thumbnail image labeled "Trainings.png" (1.1 MB) and a "Subtask" section with three items: "TQ: GenAI" (status: Done), "GenAI Level 1" (status: Done), and "GenAI Level 2" (status: Done). There are edit and delete icons at the top right.

ID 5 – Edit task

Default screen

Note: Priority, Title and Date created not editable

The screenshot shows the NavTask application interface. At the top, there is a header with the title "View Task / Edit". On the left, a sidebar displays a user profile picture for "Jhon Doe_456" and navigation links for "Home" and "Sign out". The main content area contains the following fields:

- Priority:** High (read-only)
- Status:** In Progress (dropdown menu)
- Title:** Presentation for XXX client visit (read-only)
- Date Created:** 09/15/2024 (read-only)
- Due Date:** 09/30/2024 (calendar icon)
- Details:** Prepare slides and demo materials. Ensure every app is working. Expected attendees: 12
- Attachments:** A dashed box with a "Drop files to attach, or browse." placeholder.
- Subtask:** A section containing a subtask entry:
 - Title:** Working demo app check
 - Status:** Not Done (dropdown menu)

At the bottom right are "Cancel" and "Save" buttons.

Select status

Note: Complete is disable unless all subtasks are done

This screenshot shows the same task edit screen as above, but the "Status" dropdown menu is open, revealing four options: "Not Started", "In Progress", "Complete", and "Cancelled". The "Complete" option is grayed out, indicating it is disabled. The other three options are in blue text.

ID 5 – Edit task

Select due date

The screenshot shows the NavTask application interface. At the top, there is a header with a back button, a 'View Task / Edit' link, and user profile information for 'Jhon Doe_456'. Below the header, the task details are displayed: Priority (High), Status (In Progress), Title ('Presentation for XXX client visit'), Date Created (09/15/2024), and Due Date (09/30/2024). A text area contains the task description: 'Prepare slides and demo materials. Ensure every app is working.' To the right of the description is a calendar for September 2024. The calendar shows dates from 1 to 30, with the 30th highlighted in blue and circled. Below the calendar, there is a subtask section with a title ('Working demo app check') and status ('Not Done'). At the bottom of the screen are 'Cancel' and 'Save' buttons.

ID 5 – Edit task

Edit task – without subtask

The screenshot shows the 'View Task / Edit' screen for a task titled 'UX+ (SMX)'. The task details include:

- Priority: High
- Status: In Progress
- Title: UX+ (SMX)
- Date Created: 09/15/2024
- Due Date: 10/19/2024
- Details: 10 speakers from top companies around the world. Starts at 9:00am to 4:00pm.
- Attachments: A dashed box with a 'Drop files to attach, or browse.' placeholder.
- Subtask: A section with a '+ New Subtask' button.

At the bottom are 'Cancel' and 'Save' buttons.

Status set to complete

The screenshot shows the same 'View Task / Edit' screen, but the 'Status' dropdown menu is open, displaying the following options:

- Not Started
- In Progress
- Complete
- Cancelled

The 'Complete' option is highlighted. The rest of the interface is identical to the first screenshot.

ID 5 – Edit task

Status – complete

Note:

Status: set to Complete (editable), Additional Field for Completion Date: Current Date (not editable)

If status is in Complete state, Create New Subtask button is disabled.

If Complete status is changed to other status, Completion Date will be removed. Create New Subtask is enabled.

The screenshot shows the 'View Task / Edit' screen of the NavTask application. At the top, there are three input fields: 'Priority' (High), 'Status' (Complete, with a dropdown arrow), and 'Completion Date' (10/19/2024). Below these is a large text area for the task title, containing 'UX+ (SMX)'. Underneath the title are two date fields: 'Date Created' (09/15/2024) and 'Due Date' (10/19/2024). A 'Details' section contains the text: '10 speakers from top companies around the world. Starts at 9:00am to 4:00pm.' At the bottom, there is a dashed box labeled 'Attachments' with a placeholder 'Drop files to attach, or browse.' To the right of this box is a 'Subtask' section with a '+ New Subtask' button. At the very bottom are 'Cancel' and 'Save' buttons.

ID 5 – Edit task

Add new task

Note:

New Task will have a default name. Status is set to “Not Started” by default

Date Created: Current date (not editable)

The screenshot shows the 'New Task' form on the NavTask platform. The user has filled in the following fields:

- Priority: High
- Status: Not Started
- Title: Task 01
- Date Created: 09/27/2024
- Due Date: mm/dd/yyyy (empty field)
- Details (Optional): Empty text area
- Attachments: A dashed box indicating where files can be dropped or browsed.

At the bottom, there is a 'Subtask' section with a '+ New Subtask' button and a 'Cancel' and 'Save' button.

Error fields

The screenshot shows the 'New Task' form with validation errors:

- The 'Title' field is highlighted in red with the error message "Must not be empty".
- The 'Due Date' field is highlighted in red with the error message "Must be later than Date Created".

The rest of the form fields are identical to the successful submission shown in the first screenshot.

ID 6 – Subtask

Scroll down to Subtask

The screenshot shows the NavTask application interface. At the top, there's a header with a user profile icon for "Jhon Doe_456" and navigation links for "Home" and "Sign out". Below the header, the main content area has a title "View Task / Edit" with a back button. The "Details" section contains the task description: "Prepare slides and demo materials. Ensure every app is working. Expected attendees: 12". Under the "Attachments" section, there is a file named "Approval.png" (49 KB) with a delete icon. The "Subtask" section lists three items: "Working demo app check" (Status: Not Done), "Deck check" (Status: Not Done), and "Reservation" (Status: Done). There are "New Subtask" and "Save" buttons at the bottom.

Delete subtask

This screenshot shows the same NavTask application interface as the first one, but with a modal dialog box in the foreground. The dialog has a warning icon and the text "Delete this Subtask? Working demo app check". It includes "Cancel" and "Delete" buttons. The background of the application is dimmed, and the "Subtask" list is partially visible.

ID 6 – Subtask

Add new subtask

Note: Subtask will have a default name. Status is set to “Not Done” by default

The screenshot shows the NavTask application interface. At the top, there is a header with the title 'View Task / Edit'. Below the header, there is a user profile section for 'Jhon Doe_456'. The main content area displays a task titled 'Prepare slides and demo materials. Ensure every app is working. Expected attendees: 12'. Underneath the task title, there is an 'Attachments' section containing a file named 'Approval.png' (49 KB). Below the attachments, there is a 'Subtask' section. This section contains four subtask entries, each with a title and a status dropdown set to 'Not Done'. The subtasks are: 'Subtask 01', 'Working demo app check', 'Deck check', and 'Reservation'. At the bottom of the subtask section, there are 'Cancel' and 'Save' buttons.

Empty field error

The screenshot shows the same NavTask application interface as the previous one, but with an error message. The 'Subtask' section now has the first subtask's title field highlighted in red with the error message 'Must not be empty' displayed below it. The other three subtask entries remain unchanged. The 'Save' button at the bottom is still present.

ID 6 – Subtask

All subtask set to done

Note:

If all Subtask are set to Done, Save button will become “Mark as Complete” button.

After clicking Mark as Complete, New status will reflect with Date of Completion and Save button will be active.

The screenshot shows the NavTask application interface. At the top, there's a header with a user profile picture for "Jhon Doe_456" and navigation links for "Home" and "Sign out". Below the header, there's a note: "Prepare slides and demo materials. Ensure every app is working. Expected attendees: 12". A file attachment named "Approval.png" (49 KB) is shown. The main area is titled "Subtask" and contains four entries:

Title	Status
Client Info	Done
Working demo app check	Done
Deck check	Done
Reservation	Done

At the bottom, there are "Cancel" and "Mark as Complete" buttons.

Marked as complete

Note:

Status: set to Complete (editable), Additional Field for Completion Date: Current Date (not editable)

If status is in Complete state, Create New Subtask button is disabled.

If Complete status is changed to other status, Completion Date will be removed. Create New Subtask is enabled.

The screenshot shows the NavTask application interface after the "Mark as Complete" button was clicked. The header and note are the same as the previous screenshot. The file attachment "Approval.png" is still present. The main area now shows the following status information:

Priority	Status	Completion Date
High	Complete	08/27/2024

The "Subtask" section is empty. At the bottom, there are "Cancel" and "Save" buttons.

ID 7 – Attachment

Drag and Drop or Browse for attachments

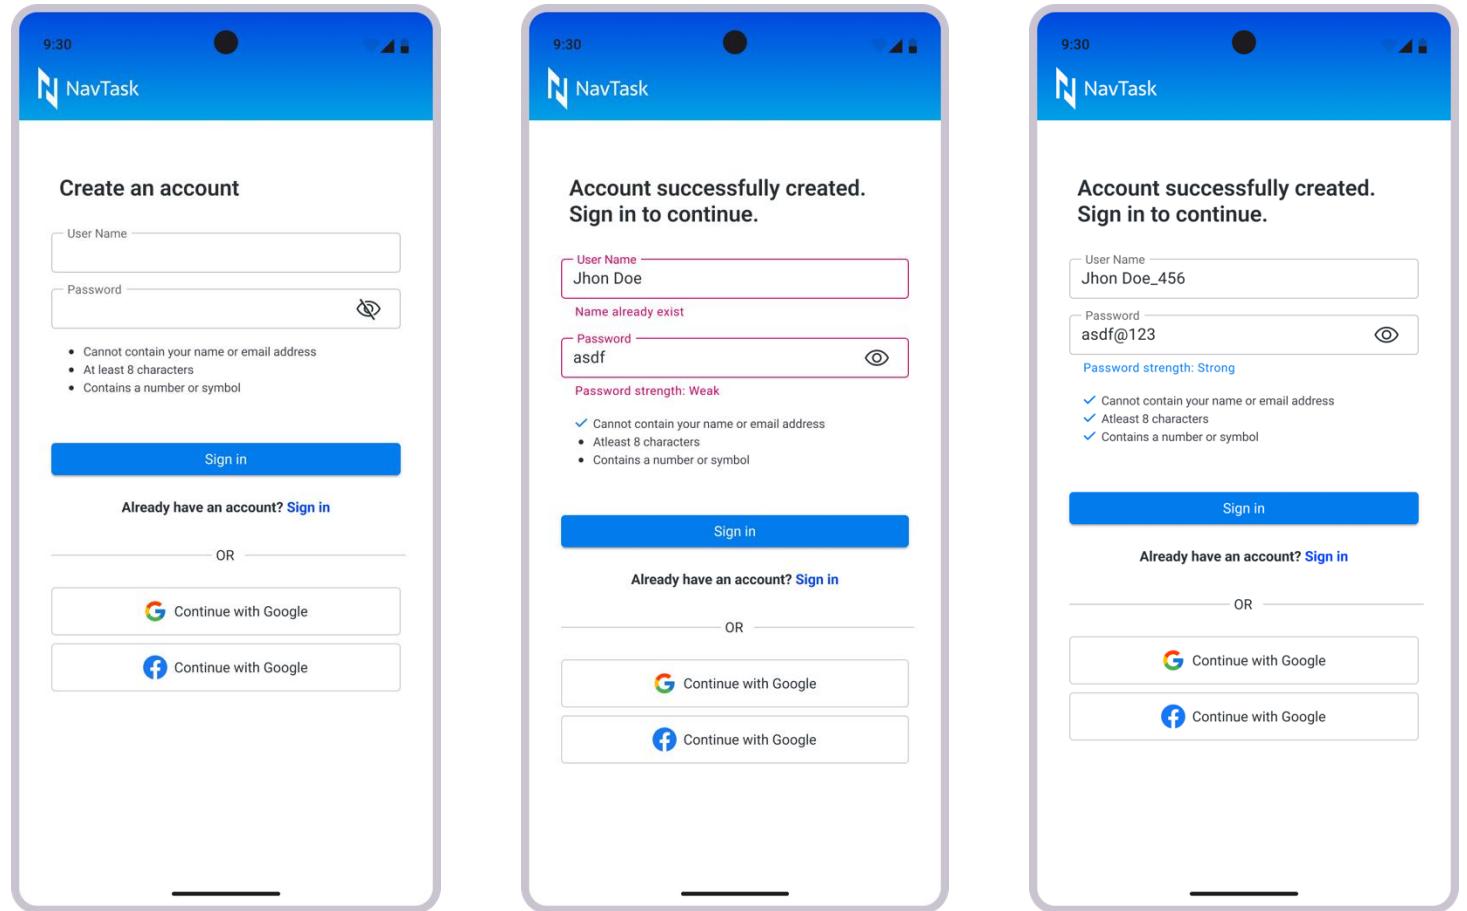

The screenshot shows the 'View Task / Edit' screen for a task titled 'Presentation for XXX client visit'. The task has a priority of 'High' and a status of 'In Progress'. The title field contains 'Presentation for XXX client visit'. The 'Details' section includes the date created (09/15/2024) and due date (09/30/2024). The 'Attachments' section has a placeholder 'Drop files to attach, or browse.' The 'Subtask' section lists one item: 'Working demo app check' with a status of 'Not Done'. At the bottom are 'Cancel' and 'Save' buttons.

Attachment loading screen

The screenshot shows the same 'View Task / Edit' screen as the first one, but with an attachment named 'Approval.png' listed in the 'Attachments' section. The rest of the interface is identical to the first screenshot.

Sort by

The screenshot shows the NavTask application's dashboard. On the left, there is a user profile for "Jhon Doe_456" with options to "Home" and "Sign out". The main area is titled "To-do" and displays a grid of tasks categorized into four columns: "Not Started", "In Progress", "Complete", and "Cancelled". A modal window titled "Sort by" is overlaid on the screen, allowing the user to sort tasks by "Due Date" (selected), "Priority", "Status", or "Ascending" (selected) or "Descending". The "Apply" button is visible at the bottom of the modal.

Category	Task Description	Priority	Due Date
Not Started	UX+ (SMX)	High	19 Oct 2024
Not Started	Declutter basement	Low	30 Sept 2024
Not Started	Mateus' release of cards	High	09 Sept 2024 - Today
Not Started	Brownbag for designers	High	01 Oct 2024
Not Started	File cleanup	Low	30 Sept 2024
In Progress	Presentation for XXX client visit.	High	05 Aug 2024 - Overdue
In Progress	Study sketch: Basic anatomy	Low	05 Aug 2024 - Overdue
In Progress	Wireframes YYY project	Critical	30 Sept 2024
In Progress	AC maintenance	Low	30 Sept 2024
Complete	GenAI trainings. My Learning	High	30 Aug 2024
Complete	Subtask 1	Low	08 Dec 2024
Complete	Subtask 2	Low	08 Dec 2024
Cancelled	Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.	Low	08 Dec 2024
Cancelled	Subtask 1	Low	08 Dec 2024
Cancelled	Subtask 2	Low	08 Dec 2024

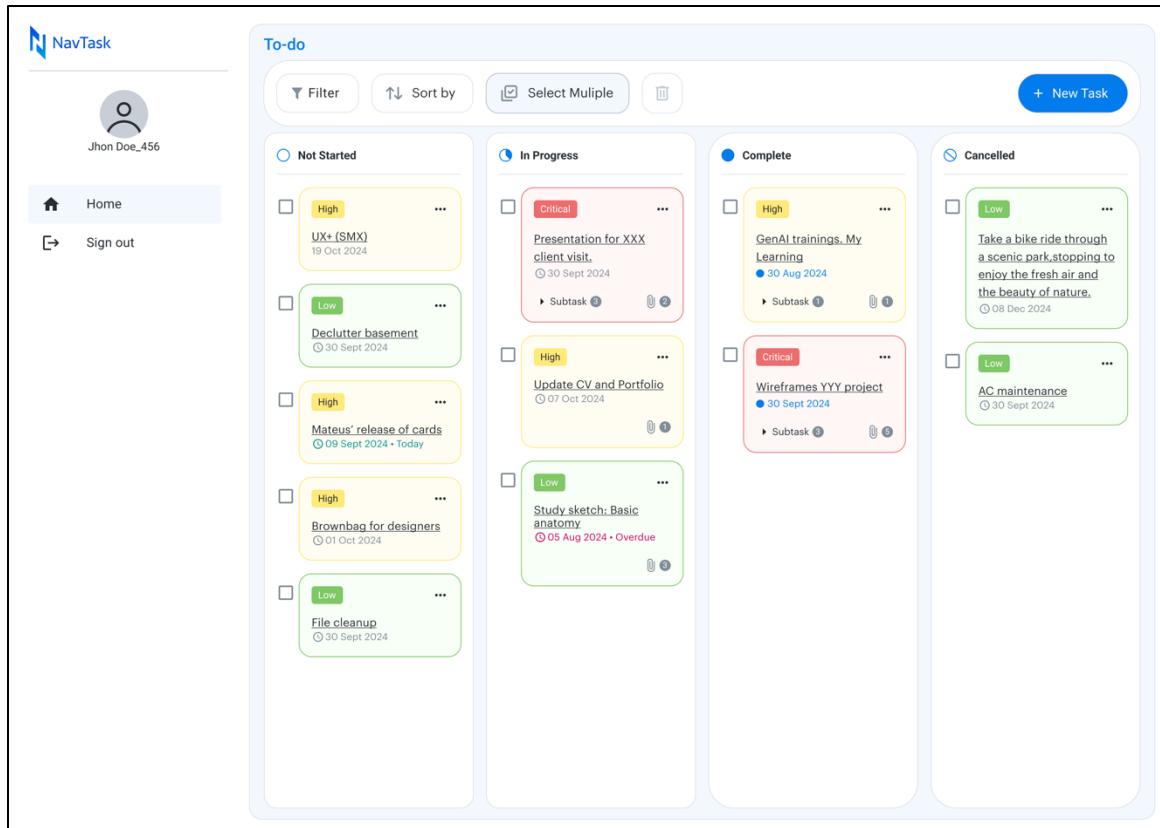

Sort by example - Action completed

The screenshot shows the NavTask application's dashboard after applying the sorting. The tasks have been rearranged based on their due date. The "Not Started" column now contains tasks from the future, while the "In Progress" and "Complete" columns contain tasks from the past. The "Cancelled" column remains at the bottom.

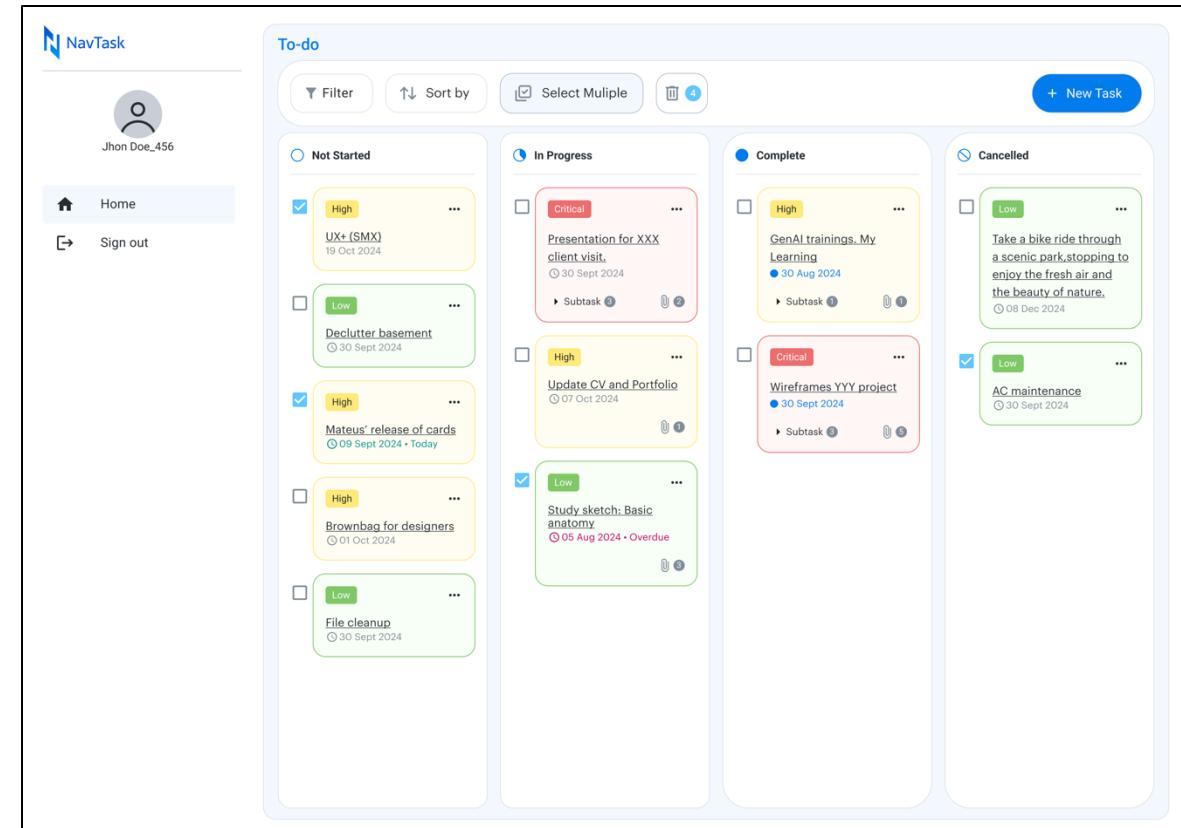

Category	Task Description	Priority	Due Date
Not Started	UX+ (SMX)	High	19 Oct 2024
Not Started	Brownbag for designers	High	01 Oct 2024
Not Started	File cleanup	Low	30 Sept 2024
Not Started	Declutter basement	Low	30 Sept 2024
Not Started	File cleanup	Low	30 Sept 2024
In Progress	Presentation for XXX client visit.	High	05 Aug 2024 - Overdue
In Progress	Study sketch: Basic anatomy	Low	05 Aug 2024 - Overdue
In Progress	Wireframes YYY project	Critical	30 Sept 2024
In Progress	AC maintenance	Low	30 Sept 2024
Complete	GenAI trainings. My Learning	High	30 Aug 2024
Complete	Subtask 1	Low	08 Dec 2024
Complete	Subtask 2	Low	08 Dec 2024
Cancelled	Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.	Low	08 Dec 2024

ID 6 – Subtask

Expanded subtask

The screenshot shows the NavTask application interface. At the top left is the logo and name "NavTask". Below it is a user profile section with a placeholder "Jhon Doe_456" and a "Sign out" button. On the far left is a sidebar with "Home" and "Sign out" buttons.

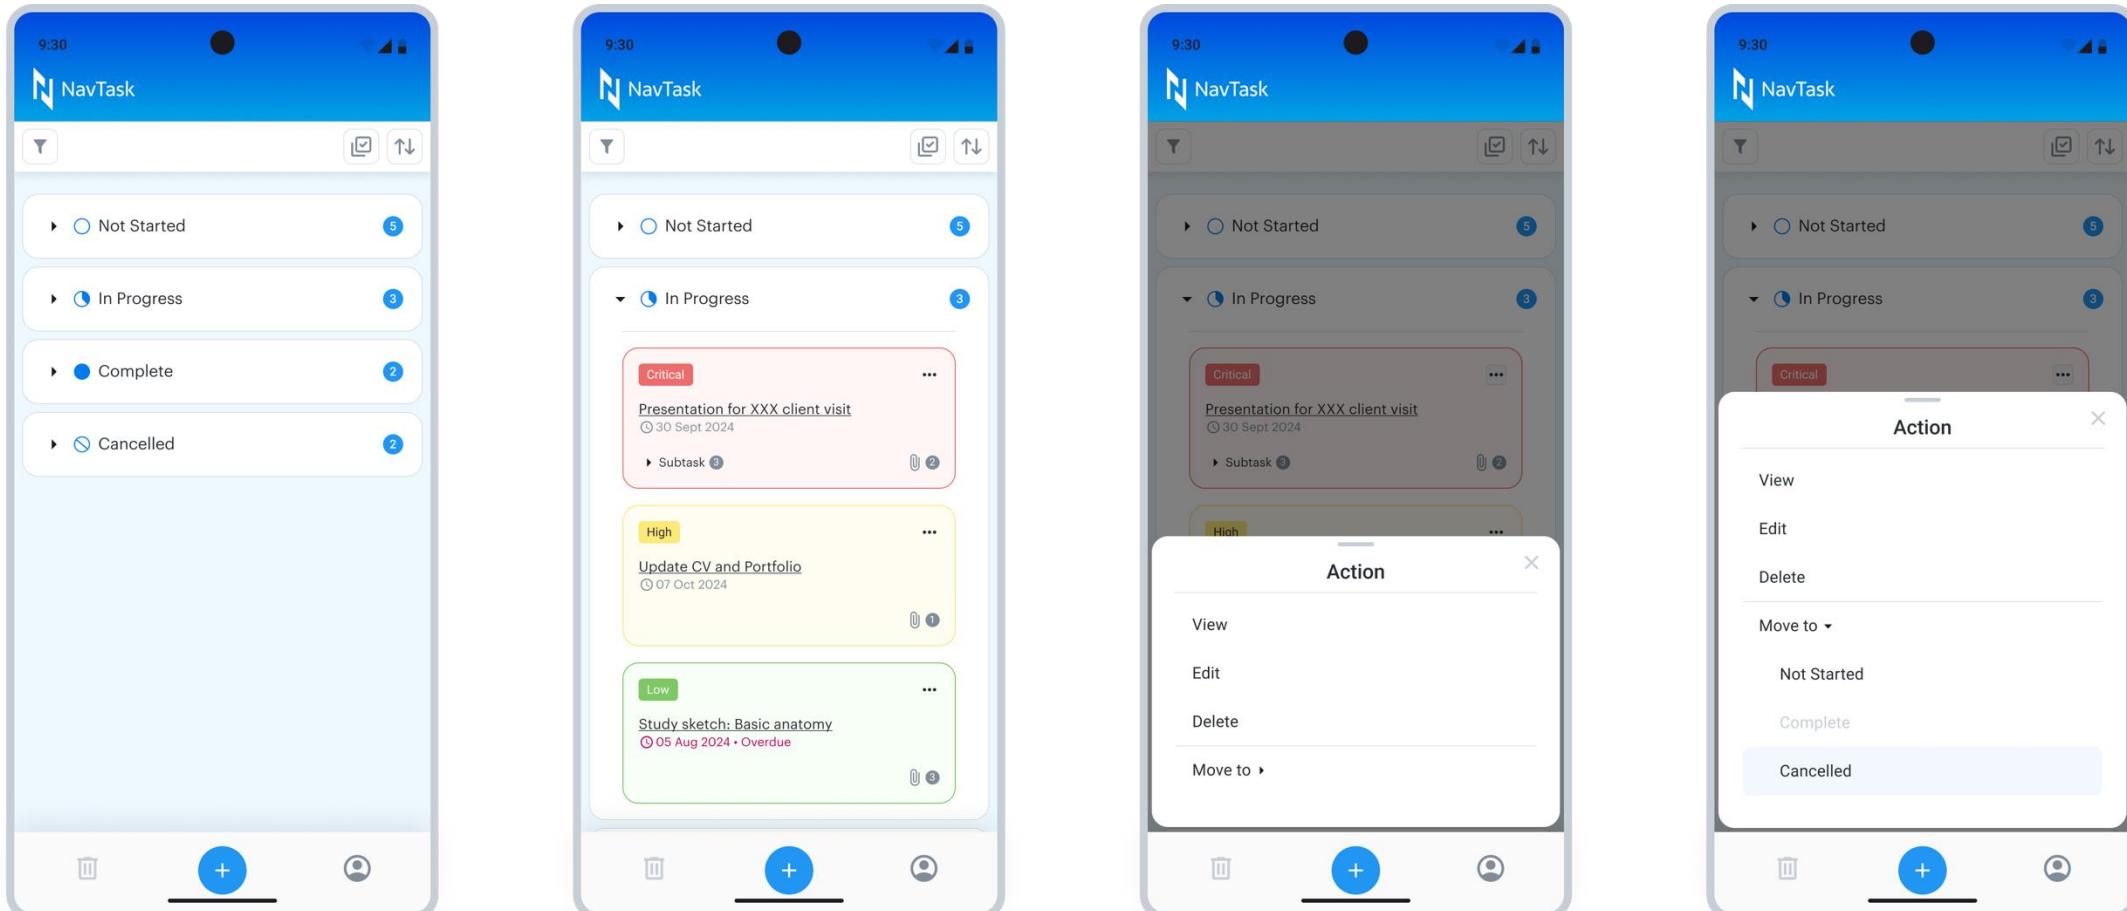

The main area is a "To-do" board divided into four columns: "Not Started", "In Progress", "Complete", and "Cancelled". Each column has a header color-coded by status: blue for Not Started, orange for In Progress, green for Complete, and grey for Cancelled.

- Not Started:** Contains 6 tasks.
 - UX+ (SMX) - High priority, due 19 Oct 2024.
 - Declutter basement - Low priority, due 30 Sept 2024.
 - Mateus' release of cards - High priority, due 09 Sept 2024 - Today.
 - Brownbag for designers - High priority, due 01 Oct 2024.
 - File cleanup - Low priority, due 30 Sept 2024.
- In Progress:** Contains 3 tasks.
 - Presentation for XXX client visit - Critical priority, due 30 Sept 2024. It has a "Subtask" card below it with three items: Working demo app check (orange), Deck Check (orange), and Reservation (green).
 - Update CV and Portfolio - High priority, due 07 Oct 2024.
 - Study sketch: Basic anatomy - Low priority, due 05 Aug 2024 - Overdue.
- Complete:** Contains 3 tasks.
 - GenAI trainings. My Learning - High priority, due 30 Aug 2024. It has a "Subtask" card below it with two items: Subtask 1 (orange) and Subtask 2 (yellow).
 - Wireframes YYY project - Critical priority, due 30 Sept 2024. It has a "Subtask" card below it with one item: Subtask 1 (orange).
 - Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature. - Low priority, due 08 Dec 2024.
- Cancelled:** Contains 2 tasks.
 - AC maintenance - Low priority, due 30 Sept 2024.
 - AC maintenance - Low priority, due 30 Sept 2024.

At the top right of the board is a "+ New Task" button. At the top left of the board are buttons for "Filter", "Sort by", and "Select Multiple".

Dashboard

The screenshot shows the NavTask application's To-do dashboard. On the left, there is a sidebar with the NavTask logo, a user profile for Jhon Doe_456, and navigation links for Home and Sign out. The main area is titled "To-do" and contains a table with 16 rows of tasks. The columns are: Title, Due Date, Priority, and Status. Each row includes a checkbox, a task title, a due date, a priority color-coded box (High, Low, Critical), a status indicator (Not Started, Complete, Cancelled, In Progress), and an edit icon. A red arrow points from the left margin towards the task list, and a red box highlights the number 298 at the top left of the list area.

	Title	Due Date	Priority	Status	
<input type="checkbox"/>	UX+ (SMX)	10/19/2024	High	Not Started	
<input type="checkbox"/>	▶ GenAI trainings. MyLearning	08/30/2024	High	Complete 08/27/2024	
<input type="checkbox"/>	Declutter basement	09/30/2024	Low	Not Started	
<input type="checkbox"/>	Take a bike ride through a scenic park, stopping to enjoy the fresh air and the beauty of nature.	12/08/2024	Low	Cancelled	
<input type="checkbox"/>	▶ Presentation for XXX client visit	09/30/2024	Critical	In Progress	
<input type="checkbox"/>	Mateus' release of cards	09/15/2024 Today	High	Not Started	
<input type="checkbox"/>	Update CV and Portfolio	10/07/2024	High	In Progress	
<input type="checkbox"/>	AC maintenance	12/05/2025	Low	Cancelled	
<input type="checkbox"/>	Study sketch: Basic anatomy	09/05/2024 Overdue	Low	In Progress	
<input type="checkbox"/>	▶ Wireframes YYY project	10/11/2024	High	Complete 09/30/2024	
<input type="checkbox"/>	▶ Brownbag: AAA project	09/23/2024	Critical	Not Started	
<input type="checkbox"/>	Files cleanup	10/28/2024	Low	Not Started	

View Task

The screenshot shows the NavTask application interface. On the left is a sidebar with a user profile for "Jhon Doe_456" (213 notifications), a "Home" button, and a "Sign out" button. The main area is titled "View Task" with a back link. It displays a task titled "Presentation for XXX client visit" (Critical, In progress) due from 15 Sept 2024 to 30 Sept 2024. The task description is: "Prepare slides and demo materials. Ensure every app is working. Expected attendees: 12". A red annotation "242" is placed near the edit icon. Below is a "Subtask" section with three items: "Working demo app check" (Not Done), "Deck Check" (Not Done), and "Reservation" (Done). A red annotation "714" is placed near the bottom-left corner of the sidebar.

New Task

The screenshot shows the NavTask application interface for creating a new task. The page title is "New Task". On the left, there is a sidebar with a user profile for "Jhon Doe_456" and navigation links for "Home" and "Sign out". The main content area has a header with "Back" and "New Task". It includes fields for "Priority" (High) and "Status" (Not Started). The task title is "Task 01". Below the title are "Date Created" (09/27/2024) and "Due Date" (mm/dd/yyyy). There is an optional "Details (Optional)" section with a red bounding box labeled "796". An "Attachments" section with a dashed border and a "Drop files to attach, or browse." button is also present. At the bottom, there is a "Subtask" section with a "+ New Subtask" button and a "Cancel" button with a red bounding box labeled "187" followed by a "Save" button.
